Takaful Re holds first takaful workshop in Tunisia

Takaful Re held its first takaful workshop on 11 November, in association with insurance broker MARE. A vehicle for building stronger ties with business partners in the Tunisian market and a forum for the exchange of views and experiences, the workshop was attended by more than 25 participants from the local insurance companies.

The interest in takaful in Tunisia is growing, with the first takaful provider, Zaitouna, licensed earlier this year.

The workshop tackled the following:

- Is there a future for takaful in Tunisia?
- Can takaful contribute to the development of insurance in Tunisia?
- Can a distribution network offer both conventional insurance and takaful?

Mr Chakib Abouzaid, Takaful Re's CEO, said: "The workshop has been a successful initiative, intended to further enhance market understanding of Takaful concept in Tunisia. I am happy and honored that Takaful Re was a pioneer in presenting the Takaful concept in this market."
